

Missouri Archaeology Month, September 2022

Your help is essential to the success of Missouri Archaeology Month

The 2022 theme is **Dugouts of the Past**, but we encourage programs on any archaeological topic. A planning form for your archaeology event is attached. Some suggestions for events are: lecture(s), exhibit(s), film(s), artifact identification workshop(s), field trip(s), etc.

You may arrange as many events as you like within the Archaeology Month period. For each program, please define the event (presentation, field trip, exhibit, etc.), create a schedule, arrange a meeting space, and arrange for publicity in the form of flyers / radio announcements, etc. The MAS office will distribute the finished program listing your event in the next issue of the *MAS Quarterly* and on the MAS website and Facebook page. Information will also be emailed to the MAS membership and local media. We strongly encourage local chapters to arrange and coordinate Archaeology Month events.

The Archaeology Month Symposium is scheduled for September 24 at the Harry S. Truman Visitor's Center in Warsaw . More details will be announced later via our publications, website, and Facebook page.

The form should be completed and returned by July 15 so that your event can be included in the statewide Missouri Archaeology Month program listing.

If you have any questions or suggestions or need assistance, please do not hesitate to contact me at 417-836-3773 or mas@missouristate.edu.

Thank you for your help. We look forward to hearing from you.
